

USB-C Portable Solar Generator

Feature

- Compact & Lightweight
- High output power (AC high output 300 W)
- Safety with multiple protection function
- Capacity Display: LCD display
- Solar panel charging, AC adapter charging, Car charger

Application

- USB (4 ports): Smartphone, tablet, digital camera, wireless communication device, etc.
- USB-C (1 port): most Type-C connected devices
- DC 12V 10A (1 port): lamp, fan, refrigerator, laptop computer, etc.
- AC connector (2 ports): most devices under AC 300 W

AC50 Technical Specification

Battery	Battery Capacity	500Wh
	Battery Type	Li-ion Battery
Charge	AC Wall Charger	6~7 hours (90W)
	DC Car Charger	10~11 hours (48W)
	Solar Charger	5~6hours (120W Max)
	Input Voltage	14~40Vdc
AC Output	Rated Output Power	300W
	Peak Output	600W
	Output Voltage	100V/110V/120Vac OR 220V/230V/240Vac
	Output Frequency	50Hz/60Hz
DC Output	Overload Ability	100%~150%@2min / >150% @1s
	USB Port	4×5V/3A
	Type C-PD	3A (@5V/9V/12V/15V) / 2.25A (@20V)
	12V DC 5521 Port	2×12V/5A
	Car Port	12V/10A
	LED lighting	Yes
	Wireless charging	10W
General	Charge	0°C~40°C
	Discharge	-10°C~40°C
	Humidity	10%~90%
	Product Dimension	260×200×196mm
	Net Weight	6.5kgs
